I said I love the way your ass shakes,
It's crazy!
I love to toss a salad gaily;
it's tasty!
I love it when we're maxing; relaxing.
You ask me if I'm super; thanks for asking.
But you know, I'm a diva, like Zena.
You say, "Hey Senorita! Nice to meet ya!"
Bend over like a doggy, here comes the loggy!
We can do it like a monkey, or a froggy.
You can play with my Sony, grab my pony.
I don't like blow-up dolls cuz they too phony!
You liked from the back side? The rough ride?
So dip-dip-dip dive!

Boy, you look good, you need to back that ass up!
You're a big fine man! Back that ass up!
Call me big daddy when you back that ass up!
Antwon quit playing! Back that ass up!
Call me big daddy when you back that ass up!
Boy, you need to stop playing! Just back that ass up!
Call me
All you need to do is back that ass up!

I love to be nude with the Village People.
I watch Mel Gibson's butt in the movie Lethal.
Jumpin your ass like I'm doing stunts Kinevel
Shagadellic like Austin Powers-Dr. Evil!
Your ass is the meddit; I'm your gay bandit!
And Chad; your butt's too hairy! I can't stand it!
The big airplane strip has just landed
So spread your butt cheeks so I can can it!

Boy, you look good, you need to back that ass up!
You're a big strong man! Back that ass up!
Call me big daddy when you back that ass up!
Antwon quit playing! Back that ass up!
Call me big daddy when you back that ass up!
Fool, who is ya playin with? Back that ass up!
Boy, you look good! You need to back that ass up!
You're a big strong man! Back that ass up!

I know you cant stand it, Gay Bandit,
Hopin around the big carrot like a rabbit.
Lookin for a big man, a thick man.
Send it deep inside like quicksand.
Lookin for a big stick; I love a summer stick!
Back that ass up fast but not quick.
