Who are you down in your heart.
Together in unity we live as we're raised to be,
Accepting out of ignorance,
Learn from the past you've out grown,
Know what you want, and how you plan achieving it,
What else do you need to know,

Don't you forget who you are,
In times oh trouble, timing may mean everything,
You just need some time to think,
History repeats it's self,
But don't let repetition, be the calling of your life,
They'll break you until you're no more

Who are you
Who are you
Who are you down in your heart.
Together in unity we live as we're raised to be,
Accepting out of ignorance,
Learn from the past you've out grown,
Know what you want, and how you plan achieving it,
What else do you need to know,
