His eyes said southern comfort,  
But his breathe said jack and coke,  
His pictures said lover,  
But his tears said all alone,  
His mouth said goodbye,  
In his mind he screamed no,  
The curtains close,  
But the show must go on!

If seeing is believing  
Faith turns to reason  
Taking is receiving  
Giving lost meaning (and it did)

If having is keeping  
Desire is dreaming  
If hurting is bleeding  
Floating is sinking

Drowsy turns to sleeping  
Hopping turns to leaping  
Hurt turns to feeling,

Eyes on the ceiling  
Feet on the floor  
In need of treating  
Natural seeding!

His eyes said southern comfort,  
But his breathe said jack and coke,  
His pictures said lover,  
But his tears said all alone,  
His mouth said goodbye,  
In his mind he screamed no,  
The curtains close,  
But the show must go on!

If seeing is believing  
Faith turns to reason  
Taking is receiving  
Giving lost meaning

Drinking leads to think  
Thinking leads to drinking  
If wanting is needing  
Eating is feeding

If winning is succeeding  
Winning turns to beating  
I made my bet  
And my horse is leading

Having is keeping  
Learning is feeling  
Looking is seeing  
Be right back is Leaving ~

His eyes said southern comfort,  
But his breathe said jack and coke,  
His pictures said lover,  
But his tears said all alone,  
His mouth said goodbye,  
In his mind he screamed no,  
The curtains close,  
But the show must go on!
