I want you back in my life

Want you back by my side

That's where you belong

I won't give you up

I will never stop

my love is much too strong

I want you back in my life

Want you back by my side

That's where you belong

I won't give you up

I will never stop

my love is much too strong

Look at me standing here

crying out my final tears

look at me in the rain

call me I won't leave again

look at me standing here

crying out my final tears

Look at me in the rain

Do you remeber when you told me you

Didn't want anyone else but me?

Well I'm that same girl is all you need to say

I want you back in my life

Want you back by my side

That's where you belong

I won't give you up

I will never stop

My love is much too strong

Look at me standing here

crying out my final tears

look at me in the rain

Call me I won't leave again
