Nanana...

I don't care to let it show,

Therefore you will never know.

What I really feel inside,

and how I lay awake at night.

(Chorus)

Will I ever fall in love,

and if I do will it be with you?

Will I ever fall in love,

and will you be the one for me?

Will I ever fall in love,

and if I do will it be with you?

Will I ever fall in love,

and will you be the one for me?

Nananawheho nanana nananawheho

Nananawheho nanana nananawheho

I guess it's all in my head,

and I will be alone instead.

Dreaming of a night with you,

and all the things that we would do.

Will I ever fall in love,

and if I do will it be with you?

Will I ever fall in love,

and will you be the one for me?
