I'm walking the streets trying to find some peace  
I hope one day the pain in my heart will cease.  
I'm walking by empty faces and empty places  
I wonder why am I the only one that (breathe)  
If I'm the one who's gonna save me  
If I'm the one who is praying for me

Ah praying for me  
Ah praying for me

I'm walking the streets looking for signs of life  
But all I see is a screen board with a "must have"  
kitchen knife  
I child passes by, a reflection of me...  
... or a girl I long to be  
But, if I'm the one then who's gonna save me  
If I'm the one who is praying for me

Ah praying for me  
Ah praying for me  
Ah praying for me  
Ah praying for me

I'm walking the streets trying to tell wrong from right  
Painted girls sell cheap love under neon lights  
Not long ago they were happy kids, smiling  
Under the same sun as you and me

You and me  
You and me

Ah praying for me  
Ah praying for me

No ones calling my name  
It's driving me insane  
I came into a world that is in pain  
Call out my name!  
Then I could tell wrong from right  
Wrong from right
