What would it take for a girl like you
To fall for a guy like me?
I have no luck you see, no good looks
Or funny personality

You pass me by, but I'm shy
Why can't I, be stronger?
You look my way, maybe someday
I'll be able to say, I love you

Some people are shallow, I just don't know
How to be the one you love, be the one you dream of
Look right through the outside beauty
Right into the true, a beautiful you

Walk right by you take my breath away
I don't know how to say, hello
Someday you'll see, what's inside
Trapped within my heart, captured within my soul

You pass me by, but I'm shy
Why can't I, be stronger?
You look my way, maybe someday
I'll be able to say, I love you

Some people are shallow, I just don't know
How to be the one you love, be the one you dream of
Look right through the outside beauty
Right into the true, a beautiful you
