Time means nothing to a persons dreams  
Its' in our hands accomplish anything  
So much to say all that's left is to write it  
Characters needed, and you're invited

Let's not fit in, with the in crowd

Never followed their rules or their signs  
The only ones I ever follow are mine (I will be fine)  
And you're welcome to come along  
We'll be the only ones to escape this town alive

I always knew that this could be something  
You show me how and I just let it be  
One things for sure you know that we can't fight it (So  
you know)  
Just so you know, I said it you're invited

Let's not fit in, with the in crowd

Never followed their rules or their signs  
The only ones I ever follow are mine (I will be fine)  
And you're welcome to come along  
We'll be the only ones to escape this town alive

Let's not fit in, with the in crowd  
Let's not fit in (Let's not fit in) (x2)  
(Let's not fit in)

Never followed their rules or their signs  
The only ones I ever follow are mine (I will be fine)  
And you're welcome to come along
