From the moment I could speak, they told me  
Sit and listen, if you wanna get by  
Someday I'll grow up watch close or  
You'll miss it, just don't ask why

Year two in this high priced school  
Times flying, childhood I miss you  
Two more to go, where will I end up? I don't know  
They say life is what I make it  
I say let's party, and let's do it naked  
Lets do it naked!

Doesn't matter if they give it I would take it  
They always told me life is what I make it  
Work hard, no thanks I'd rather fake it  
To me life's a party so let's do it naked

(Lets do it naked)

I'm sorry for everything I've done wrong  
For every guy whose girl I tried to get with  
For ever girl whose heart I've ever messed with  
All the fragile hearts that I've ever tested

I'm bending pens with the passions of words  
Showing the world what I think should be heard  
I'm righting wrongs through these small minded songs  
Could the problems I've made be cured?

Doesn't matter if they give it I would take it  
They always told me life is what I make it  
Work hard, no thanks I'd rather fake it  
To me life's a party so let's do it naked

(Doesn't matter if they give it I would take it)  
Yeah let's do it naked  
(Doesn't matter if they give it I would take it)  
To me life's a party to lets do it naked

It doesn't matter if they give it I would take it,  
Life's a party so lets do it naked (x4)

Life's a party so let's do it naked!

Doesn't matter if they give it I would take it

Work hard, no thanks I'd rather fake it
