The more that we speak turns the days into weeks  
And I'm falling for you again  
From the look in your eyes, here and now till goodbye  
I know I want it (Oh Oh Oh)

Cause the world flies  
Everything will pass by  
Try to take what you can while it's there

Oh Oh Oh all I really want is  
Oh Oh Oh  
Oh Oh Oh all I really want is you

Memory sing what a beautiful thing  
Take a look back only smiles only last  
The clock is ticking but my heart keeps skipping  
It's a matter of time let it all unwind  
If I could have just one more wish  
I wouldn't change a thing for a night like this

Oh Oh Oh all I really want is  
Oh Oh Oh  
Oh Oh Oh all I really want is you

You are the part of me, that I could always see  
Stealing my heart running free with this melody  
With this melody baby only I see  
Skies so blue hoping you were really here for me

Oh Oh Oh all I really want is  
Oh Oh Oh  
Oh Oh Oh all I really want is you

If I could have just one more wish (Oh Oh Oh)  
I wouldn't change a thing for a night like this (Oh Oh  
Oh) (x3)

Cause the world flies  
Everything will pass by  
Try to take what you can while it's there
