Canada on strike!
Canada on Strike!
Canada!
Canada!
Canada!
Canada!
Canada on strike!
Canada says "no more!"
No more neglect! We want respect! That's what we're
striking for!
All you bureaucrats and corporate cats can all just take
a hike!
It's Canada on strike!

Canada on strike!
From Vancouver to St. John's,
We raise our middle fingers up for you all to sit upon!
And with our fingers up your ass you won't be very
psyched!
It's Canada on strike!

And we will not bow or budge.
Our resolve is strong.
We even took three hours to rehearse this striking
song!

Canada on strike!
No matter where you are!
If you are Canadian, than you've got do your part!
March out from the halls!
That's right, suck my Canadian balls!
It's Canada on strike!
It's Canada on Strike!
It's Canada on Strike!
It's Canada
On Strike!
