

South Park "Chef - Good Love"

Visit "[Chef - Good Love](#)" on MotoLyrics.com

I'm bona fide, solidified, and qualified to do
Anything your heart can stand, it all depends on you
I'll turn your world upside-down, I'll blow your mind to
pieces,
You'll recommend me to your mother, your sister, your
aunts and your neices!

Listed in the Yellow Pages all around the world,
30 years experience in loving sweet young girls, just
call
Good love 69-9-69
Good love 69-9-69
Good love 69-9-69

It ain't how good I make it, baby, it's how I make it
good!
I'm the king of the woman's world, they tell it from town
to town,
And when I find a deserving queen, I'm gonna share
my crown
But if the line is busy, don't freak out or get nervous,
You just keep on dialing again and again until you get
some service, call

Good love 69-9-69
Good love 69-9-69
Good love 69-9-69

I'll send your temperature higher, just like a ball of fire!

Now listen to me, baby,
Just let your finger do the walking,
Let ol' Chef do the talkin' and the lovin'.
You see, I'm a backdoor man,
And I do the things your man fail to do.

Now, I dunno, but I've been told,
By a playa-hater
That my bedroom is a disguise
For a freak incubator

So if you see a fine young woman that can't be

satisfied,
Send her over to my stable, I'm a horny junkie that
loves to ride! call

Good love 69-9-69
Good love 69-9-69
Good love 69-9-69

It ain't how good I make it, baby, it's how I make it
good!

Call me anytime..
Right now would be fine..
Call my number!
Call on me..
Love gravy train..
I'll ride ya on in to glory..
Let's get it on..
Let's get it on..
Good Love
