You know Kathie Lee, you are a very special woman  
I don't mean special in a Mary Tyler-Moore way  
Or an extra-value meal at Happy Burger way  
No, I mean SPECIAL... Like...  
The song of the hummingbird as it gets ready to find  
that female hummingbird  
And -- make sweet love to it -- all night long  
Just two hummingbirds moaning' and groanin'  
And letting their bodies caress and touch each other in  
ecstasy  
Slowly, the male hummingbird gets behind the female  
hummingbird  
And eases his way into her golden valley  
Gliding gently in and out, in and out, ooh, in and out  
Two hummingbirds doin' it doggy style all night long  
Until finally the male hummingbird screams with  
passion  
And lets his little humming gravy fly all over the nest  
And it makes me wanna  
It makes me wanna sing this special song for you  
Yeah, baby, yeah mama

Ooh Kathie Lee, you're such a special woman to me,  
How I'd love to lay you down  
And lick every inch of your body  
With my tongue  
Kathie Lee, you're my sexual fantasy  
How 'bout you and me?  
Get it together and make sweet love...

'Cause nobody can take your place  
No way they can match your face,  
No, you got it goin' on in a way so clear  
I just wanna buy you a beer

I thought maybe tonight at seven thirty or seven, I  
could come by and

Pick you up in my car  
(No substitute) No substitute for you  
(No substitute)  
No baby there's (no substitute) for your girl

(No substitute) for you now

I know you love my body so much  
It's something you can't help but touch, ooh  
I might let you if you promise to be gentle,  
Now I'm gettin' all sentimental

Maybe tonight after pickin' you up in my car  
We can park down over by the gas station  
That closed two weeks ago and make love in the back  
seat and...

Drop you off at home  
(No substitute) No substitute for you  
(No substitute) No baby there's  
(No substitute) Come on baby say it  
(No substitute) For you now

Now you remember our two hummingbirds  
Well after their night of passion  
The male hummingbird couldn't sleep or eat  
All he could think about was that incredible night  
When things were flyin' all over the place  
And beaks were where they should be  
So he put his beak lips together and whistled a song  
Calling that female hummingbird back for another  
night of fire  
Just like I'm calling out for you, baby  
Hey, get your ass over here for some good lovin'

There's only one word that can describe you  
You're a flippity-floppity-hootchy-mama-woowoo  
You've got everything I ever wanted  
My metaphor's all been exhausted

So what say you and I forget about this singin' and  
songin'  
And act like a couple of hummingbirds ourselves...  
And get down to some business  
(No substitute) No substitute for you  
(No, no, no substitute)  
No baby there's (no substitute) for you girl  
(No substitute) for you girl (no substitute)  
For you (no, no, no, no, no, no, no substitute)  
For you girl

Ladies and gentlemen, the Fabulous Chefettes

(No) no (no) subs (subs) sti (tute) for (you)  
Ba (by) no (no) no no no (no) for you yeah,  
(No substitute) for you Kathie Lee, yeah
