I'm Sailing Away

Set an open course for the virgin sea

'Cause I've got to be free

Free to face the life that's ahead of me  
On board I'm the captain

So climb aboard

We'll search for tomorrow

On every shore

And I'll try, oh Lord, I'll try

To carry on  
I look to the sea

Reflections in the waves spark my memory

Some happy, some sad

I think of childhood friends

And the dreams we had  
We lived happily forever

So the story goes

But somehow we missed out

On the pot of gold

But we'll try best that we can to carry on  
(yeah)

A gathering of angels appeared above my head

They sang to me this song of hope and this is what they  
said

Come sail away

Come sail away

Come sail away with me

(you guys)

Come sail away

Come sail away

Come sail away with me

Come sail away

Come sail away

Come sail away with me

(you guys ha)

Come sail away

Come sail away

Come sail away with me

I thought that they were angels

But much to my surprise

We climbed aboard their starship

And headed for the star they said'

Come sail away

Come sail away

Come sail away with me

(you guys)

Come sail away

Come sail away

Come sail away with me

(everybody now)

Come sail away

Come sail away

Come sail away with me

(you guys seriously)

Come sail away

Come sail away

Come sail away with me  
(Chef:) Make it funky now!  
(Cartman:) Hey, you're screwin' up my song

Hey, What's goin' on  
(Chef:) Come sail away

Come sail away

Come sail away with me children  
Come sail away

Come sail away

Come sail away with me children  
(Cartman:) No, no, no, no, like this, like this!!!  
Come sail away

Come sail away

Come sail away with me

(you guys can't here ya')  
Come sail away

Come sail away

Come sail away with me

(you guys seriously)  
Come sail away

Come sail away

Come sail away with me

(seriously you guys, screw you guys)  
Come sail away

(you guys seriously)

Come sail away

Come sail away with me

(you guys seriously)  
Come sail away

(you guys seriously)

Come sail away

(you guys seriously)
