I'm sailing away  
Set an open course for the Virgin Sea  
'Cause I've got to be free  
Free to face the life that's ahead of me

On board, I'm the captain  
So climb aboard  
We'll search for tomorrow on every shore  
And I'll try, oh Lord, I'll try to carry on

I look to the sea  
Reflections in the waves spark my memory  
Some happy, some sad  
I think of childhood friends and the dreams we had

We lived happily forever  
So the story goes  
But somehow we missed out on the pot of gold  
But we'll try best that we can to carry on

A gathering of Angels appeared above my head  
They sang to me this song of hope and this is what they said

They said, "Come sail away, come sail away, come sail away with me lads  
Come sail away, come sail away, come sail away with me  
Come sail away, come sail away, come sail away with me baby  
Come sail away, come sail away, come sail away with me"

I thought that they were Angels, but to my surprise  
We climbed aboard their starship, we headed for the skies

Singing, come sail away, come sail away, come sail away with me lads  
Come sail away, come sail away, come sail away with me  
Come sail away, come sail away, come sail away with

me  
Come sail away, come sail away, come sail away with  
me

Come sail away, come sail away, come sail away with  
me

Come sail away, come sail away, come sail away with  
me

Come sail away, come sail away, come sail away with  
me

Come sail away, come sail away, come sail away with  
me
