(Chorus: repeat 4X)

Everything would be okay  
If you wasn't crazy  
Why you trying to fade me  
Just be a lady

No when we first met everything was really going cool  
I had to catch myself cause I was digging you  
At first it seemed, that you were the only one for me  
But oh no, your crazy

Now I'm the type of nigga that just likes to keep it real  
I likes to keep my mind focused on the real  
Instead of you, trying to help me make my dreams  
come true  
You start a mess, between me and my whole crew

(Hook)

Now what type of lady are you supposed to be  
I think its best if you stay the hell away from me  
Now what type of lady are you supposed to be  
I think its best if you stay the fuck away from me

(Chorus: repeat 4X)

Everything would be okay  
If you wasn't crazy  
Why you trying to fade me  
Just be a lady

Ya know I can't be nobody but me that Russell Lee  
What make you think you can come around and change  
me  
Your breaking rules, showing up to my house without a  
call  
Your doing dumbshit and you know that ain't gonna  
work it out

Ya know you ain't even right, ya damn sure ain't lady  
like

Ya screamin and scratching started fussing trying to  
start a fight  
You really need to be gone, and leave me the hell  
alone  
You actin like a lil girl how the fuck you say your grown

Playin on my phone won't say nothing but I know its you  
What will it take for you to understand that we are  
through

(Phone ring twice)  
Hello? Hello? & Bitch!

(Chorus: repeat 4X)

Everything would be okay  
If you wasn't crazy  
Why you trying to fade me  
Just be a lady

If only you were a lady and stopped actin so damn  
shady  
You would be the luckiest women if didn't try to fade  
me  
But you do, so the consequences is all on you  
So don't get mad when you see me walking with  
another boo

I gotta go, you had your chance with me but there.s no  
more  
Look at you looking pitiful crying lying on the floor  
I wish there was another way that you can change my  
mind  
You say that your sorry but some kind of way I think  
your lying

Everything would be okay  
If yooooouuu was a lady  
Everything would be okay  
If yooooouuu wasn't crazy

(Chorus: repeat 4X)

Everything would be okay  
If you wasn't crazy  
Why you trying to fade me  
Just be a lady  
Just be a lady

(Repeat 4x)

(Chorus: repeat 2X)

Everything would be okay  
If you wasn't crazy  
Why you trying to fade me  
Just be a lady

Just be a lady (echo)
