I'm a Huboon baby, I'm a cross between a human and  
an ape  
I'm all decked out, I'm gonna hoot, I'm gonna root and  
I'm gonna rape  
People look at me and laugh and make fun of my face  
I laugh right back, I don't want to be part of the human  
race  
I did it to myself and now somebody's gonna be sorry

I'm a Huboon baby, gonna mess around with all you  
fools  
I'm all pumped up, I'm gonna romp, bone and stomp,  
I'm gonna rule  
I had the operation, nothing else left to do  
Well, looky here, I've been hurt, I'm gonna hurt you  
Now somebody's gonna be sorry like all you wenches  
and you slime  
And all you red-winged pin heads, who make screwing  
a big crime  
You titty twisted up my life then pissed on all my  
dreams  
You made me hate myself, now come on, shoot me, set  
me free  
Let's go  
He's a Huboon Baby, his genes is all fudged up  
He's a Huboon Baby, his genes is all fudged up  
He's a Huboon Baby, his genes is all fudged up  
He's a Huboon Baby, his genes is all fudged up

I did it to myself, now somebody's gonna be sorry

Well, I'm a Huboon baby, I'll grew up to be the  
president  
I'm upside in, I'm really tweaked, I'm really freaked, I'm  
really bent  
Big town momas better hurry hide your little girls  
I'll jump their bones, I'll sniff 'em out around the world  
Now, somebody's gonna be sorry, like all of you  
wenches and you slime  
And all you red-winged pin heads, who make screwing  
a big crime  
You titty twisted up my life, then pissed all over my

dreams

You made me hate myself, now come on shoot me, set  
me free

I'm a Huboon baby, I'm a cross between a human and  
an ape

Well I'm all decked out, I'm gonna hoot, I'm gonna root,  
I'm gonna rape

People look at me and laugh and make fun of my face  
I laugh right back, I don't want to be part of the human  
race

My old friends Rick James and Ike Turner came to South  
Park just to play this song

Here they are, covering my hit, Love Gravy
