Got this bug-eyed girl  
Cold hand on my knee  
Frozen teeth chitter, chatter  
She's dressed up like a cemetery  
Like a cemetery

Snowbound all winter  
Blue lips on my cheek  
Little tongues prattlin', rattlin'  
Talkin' about them hometown geeks  
Them hometown geeks

Wake up Wendy, smell the coffee  
Help me into your custom kitchen  
Gimme a cup of that old black magic  
I wanna get me some of that old home cookin'  
Can you feel it, it's chilly and freezin'  
Wake up Wendy, moods a changin'  
I got a reason, and you got a feelin'  
Wake up Wendy, love's in season

Feels like a steam clean  
When she washes me  
Clouds bustin', pumps a hissinn'  
Just peel me off the ceiling  
Off the ceiling

Chill out bug-eyed-girl  
Zap me into cinders  
Pop the thermal mumbo jumbo  
Melt me with your little fingers  
With little fingers

Wake up Wendy, smell the coffee  
Help me into your custom kitchen  
Gimme a cup of that old black magic  
I wanna get me some of that old home cookin'  
Can you feel it, it's chilly and freezin'  
Wake up Wendy, moods a changin'  
I got a reason, and you got a feelin'  
Wake up Wendy, love's in season  
Wake up Wendy, love's in season

Wake up Wendy, love's in season
