The Eyes of a Child, so innocent and pure
A Child's heart is full of song
Take their tiny hands,
And lead them to the light
As Adults we see the pain in the world,
And sometimes it don't seem right..

..through the Eyes of a Child
The World seems magical
There's a sparkle in their eyes,
They've yet to realise,
The darkness in their soul.

..the Beauty of their smile
Adventurous and Wild.
Life is kinda gay,
but it doesn't seem that way,
Through the Eyes of a Child.

So, don't give up
Even when the road seems long
Just find that child inside of you
You've got to find it in you.
Spread your wings and fly, to the brightest star
If ya want, I can get my friend Steve to detail your car
for around twenty bucks.

..through the Eyes of a Child
The World seems magical
There's a sparkle in their eyes,
They've yet to realise,
The darkness in their soul.

..the Beauty of their smile
Adventurous and Wild.
Sure, life is kinda gay,
but it doesn't seem that way,
Through the Eyes of a Child.

..through the Eyes of a Child
The World seems magical
There's a sparkle in their eyes,

They've yet to realise,
The darkness in their soul.

..the Beauty of their smile
Adventurous and Wild.
Sure, life is kinda gay,
but it doesn't seem that way,
Through the Eyes of a Child.
Sure, life is kinda gay,
but it doesn't seem that way,
Through the Eyes of a Child.
