I'm down here in South Park
Just put a million dollar reward up
for any information
on anybody you know who killed Kenny
YA HEARD?!

Kenny's dead we gotta ride tonight
My little homey Kenny died tonight
That's what I said, we gotta ride tonight
My little homey Kenny died tonight
Kenny's dead we gotta ride tonight
My little homey Kenny died tonight
That's what I said, we gotta ride tonight
My little homey Kenny died tonight
Ohhhh

Kenny started messin up, hangin with the thugs
Cuttin class in the fast section, ecstasy, weed and
drugs
I guess that's how it is, when the ghetto got you
trapped
But Kenny ain't scared, he seen his pops get his neck
snapped
People and they cheat, on South park streets
Where the hos chill and everybody run from the police
But what I liked about Kenny, he wasn't no Crip or no
Blood
And he mumbled when he talked, but he loved that
bud!

Kenny's dead we gotta ride tonight
My little homey Kenny died tonight
That's what I said, we gotta ride tonight
My little homey Kenny died tonight
Kenny's dead we gotta ride tonight
My little homey Kenny died tonight
That's what I said, we gotta ride tonight
My little homey Kenny died tonight
Ohhhh

A lot of hopeless nights chasin nickels and dimes
Kenny rode the yellow bus to school but at night he did

crimes

2-11, 187, it's like a hobby

Kenny slowed his roll, he did three years for a robbery

Some say Kenny was the poorest kid on the street

But picture this: Kenny with about 10 G's, and a coupla

keys

Huh, servin the dope fiends standing on the corner

Moved and worked from New Orleans to Arizona

But it was a trip, Kenny always wondered how he would

die

Would it be a car crash, a plane, a gun or suicide

He knew that one day the rats would come

But he didn't know they were gonna scream "bout it

bout it!"

and hit him with a shotgun

Kenny's dead we gotta ride tonight

My little homey Kenny died tonight

That's what I said, we gotta ride tonight

My little homey Kenny died tonight

Kenny's dead we gotta ride tonight

My little homey Kenny died tonight

That's what I said, we gotta ride tonight

My little homey Kenny died tonight

Ohhhh

Kenny's dead we gotta ride tonight

My little homey Kenny died tonight

That's what I said, we gotta ride tonight

My little homey Kenny died tonight

Kenny's dead we gotta ride tonight

My little homey Kenny died tonight

That's what I said, we gotta ride tonight

My little homey Kenny died tonight

Ohhhh

Kenny's dead we gotta ride tonight

My little homey Kenny died tonight

That's what I said, we gotta ride tonight

My little homey Kenny died tonight

Kenny's dead we gotta ride tonight

My little homey Kenny died tonight

That's what I said, we gotta ride tonight

My little homey Kenny died tonight

Kenny's dead we gotta ride tonight

My little homey Kenny died tonight

That's what I said, we gotta ride tonight

My little homey Kenny died tonight

Kenny's dead we gotta ride tonight

My little homey Kenny died tonight

That's what I said, we gotta ride tonight

My little homey Kenny died tonight

Kenny's dead we gotta ride tonight
My little homey Kenny died tonight
That's what I said, we gotta ride tonight
My little homey Kenny died tonight
Kenny's dead we gotta ride tonight
My little homey Kenny died tonight
That's what I said, we gotta ride tonight
My little homey Kenny died tonight
