

## South Park "La Resistance"

Visit "[La Resistance](#)" on MotoLyrics.com

God has smiled upon you this day  
The fate of the nation in your hands  
And blessed all the children be  
Who fight with all our bravery  
Till only the righteous stand

You see the distant flames  
They bellow in the night  
You fight in all our names  
For what we know is right  
But when you all get shot  
And cannot carry on  
Though you die la resistance lives on

You may get stabbed in the head  
With a dagger or a sword  
You may be burned to death  
Or skinned alive or worse  
But when they torture you  
You will not feel the need to run  
for though you die la resistance lives on

Blame Canada Blame Canada  
Because the countys gone ary  
Tommorrow night these freaks will fry!

Tommorrow night our lives will change  
Tommorrow night we'll be entertained  
An execution what a sight!  
Tommorrow night

Up there there's so much room  
Where babies burp and flowers bloom  
Tommorrow night up there is doom  
And so i will be going soon

Shut your f\*\*king face uncle f\*\*ker  
Your a boner biting bastard uncle f\*\*ker  
Looks like we may be outa luck  
Tommorrow night were pretty f\*\*ked

Why did our mothers start this war

What the f\*\*k are they fighting for  
When did this song become a marathon

(I want to be up there)  
When Canada is dead and gone  
There'll be no more celine deon!

Then they cut your dick in half  
And serve it to a pig  
And though it hurts you'll laugh  
And dance a dickless jig  
But that's the way it goes  
In war you are shat upon  
Though you die la resistance lives  
oooooooooooooooooooooooooooo
