(VERSE 1)

uhh..will i see my homie cris there?
he got smoked by some fool's who shouldn't be alive
i'm tryin to cope but it's just so hard, dear god
will i see him on the blvd?
uhh can you tilt your hat to the side? if you want
or do you got to have it straight to the front?
i been saggin dickies ever since i was 8 and
i wonder was somebody tryin to tell me i can't
i won a knife at the carnival they have up jesting
its just for good luck not for a weapon
i wonder if i can take it? or thats if im naked
but i don't wanna walk around all butt naked
will my hydraulics work up in the clouds?
do people start complaining if the music is loud?
and these are the things that i ask the revrend
excuse me sir but can mexicans go to heaven?

(CHORUS)

the other day i spoke to the revrend
to see if he'd say if mexicans could
go to heaven when i grow old
i wanna know this life is a blessing
i wanna know is there a mexican heaven, lord

(VERSE 2)

will my grandfathers beer breathe be real bad?
or will they him take mints or the white tic tacs?
do the r&b hip hop radio stations play all rap?
or do they still be hatin?
people owe me money from previous business
i wonder can get it but for a little bit intrests
and what about dropouts with no education?
i can't spell good but i know multiplication
do they got real tortillas for all the races?
or them fake little skinny ones like some places
i know my sancha is out of the question
but on the cool she got love for a mexican
my homies been chillin wanna smoke for free
will they have gas money or depend on me?
can i roll on those streets in my 57?
let me know can mexicans go to heaven

(CHORUS)

the other day i spoke to the revrend
to see if he'd say if mexicans could
go to heaven when i grow old
i wanna know this life is a blessing
i wanna know is there a mexican heaven, lord

(VERSE 3)

will they charge and arm and leg for the new mike
jordans?
or sell em half price so everyone could afford them?
what about tobacco products, do they bann 'em?
one thing about cigarettes i just can't stand 'em
is minimum wage all they offer my people?
does my unlce got to marry someone just to be legal?
will he get dirty looks cuz he can't speak english?
do the chicks dress up or do they show their chi-chis?
what kind of clubs do they have in heaven?
i don't dance techno and know 2 steppin
i got a few warrants will they follow me there?
or can i start clean or for record is clear?
is my pitbull there? his name is plex
he choked on his chain jumping over the fence
i'm sorry if i'm askin you too many questions
i just gotta know can mexicans go to heaven?

(CHORUS)

the other day i spoke to the revrend
to see if he'd say if mexicans could
go to heaven when i grow old i wanna
know this life is a blessing
i wanna know is there a mexican heaven, lord
