Baby when I think about you I think about love  
Darlin' Iâ€™m gonna live without you and your love  
If I had those golden dreams of my yesterday  
I would wrap you in the heavens  
And feel it dying, dying, dying all the way  
Feel like makin', feel like makin' love  
Feel like makin' love, feel like makin' love  
I feel like makin' love to you

Baby if I think about you I think about love  
Darlin' if I had to live without you I live without love  
And if I had the sun and moon we will shine them  
I would give you both night and day love satisfying  
Feel like makin', feel like makin' love  
Feel like makin' love, feel like makin' love  
I feel like makin' love to you  
I feel like makin' love (Ned: There we go) (Chef:  
Câ€™mon)  
I feel like makin' love (Chef: Get down Ned)  
I feel like makin' love  
I feel like makin' love to you

Chef: You know, there are many types of love in the  
world  
Mother, daughter love  
Husband, wife love  
Simon, Garfunkel love  
But this next song is about a very special kind of love  
Hereâ€™s â€œWeenâ€œ
