(Music)

There's a bunch of birds in the sky
and some deers just went running by
Oh the snow's pure and white
On the earth rich and brown
Just another sunday morning in my quiet mountain
town

The sun is shining and the grass is green
Under the three feet of snow i mean
This is the day when it's hard to wear a frown
All the happy people stop to say hello (get out of my
way)
Even though the tempature's low
It's a perfect sunday morning in my quiet littlemountain
town

Well good morning stan
Mom can i have 8 dollars to see a movie?
A movie?
I thought you were going ice skating?
But this is gonna be the best movie ever! it's a foreign
film from canada
Alright alright here you go, but be back for supper
Thanks Mom

Oh what a picture perfect child
Just like jesus he was tender and mild
He wore a smile while he worn a thorny crown
What an angel with a heart so sweet and sure
And a mind so open and pure
Thank God we live in this quiet redneck mountain town

Hey is your son home
I think so
KENNY!

KENNY WAKE UP!
KENNY DAMIT C'MON!

- mumbling from kenny -
Where do you think you're going
- mumbling -
You can't you have to go to church
but mom, i wanna see this movie!
Well fine go ahead and miss church and then
when you die and go to hell you can answer to satan
Okay

You can see your breath hanging in the air
You see homeless people but you just don't care
It's a sea of smiles in which we'd be glad to drown
(kenny singing and mumbling)
Thats right
Its sunday morning in our quiet little white red redneck
mountain town
