Baby, you know you're the one for me  
And all that i want to be is..  
You, and me, and Her, Simultaneous!  
You and me, and Her, Simultaneous lovin' baby!  
Two or three, Simultaneous, Ow, come on!

Have an open mind, pull my trigger down  
Gimme the last Cold Turkey brass, make it fast  
Take my ass to town.  
Have an open mind, send my cares away  
Ring my bells, jigga well, what the hell, Today's your  
lucky day!  
You, and me, and Her, Simultaneous!  
You and me, and Winona Ryder, Simultaneous lovin'  
baby!  
Two or three, Simultaneous, Ow, come on!

Have an open mind, it's a normal thing to do  
Don't be prude, just get nude, aww ya bein rude, i  
would do it for you!  
Have an open mind, your the only one I love  
These girls you see here, they don't mean anything,  
let's all get in da tub!  
You, and me, and Her too, Simultaneous  
You and me, and yo' mamma and yo' sister,  
Simultaneous lovin', baby!  
Two or three, Simultaneous, Ow, come on!

Have an open mind, Don't be so mean to me  
Call your sister, and your momma and your aunt, it's  
every man's fantasy  
Have an open.. WHOH BABY! Put that knife away!  
Don't be mad, i'll take it back, just like we can make  
love YOUR way  
I'm talkin' bout You, and me  
And some flowers and some wine, instantaneous  
You, and me, and Whitney Houston, umm on the radio  
baby, on the radio!  
Some candles, and some good feelings, just the 2 of  
us, aww fudge it..

I'm talking about You, and me! And her and her and

her! Simultaneous!  
You, and me! All the women in the house!  
Simultaneous Lovin!  
Three, or Seven! Make it a Baker's dozen!  
All the women in the house clap your hands, woooo..  
Now that'd be a party, Ladies!
