[SPM]

I ain't got the last two sentences to this verse

[Grimm]

Then just freestyle it

[SPM]

Alright, I can do that

[First Verse (SPM):]

Bring it back, drop the top on the 'Lac

Screw put the tap on the wet Fatback

Got the black gat, can't come wack

'Member when clubs wouldn't let me rap

Now they call me up, all on nuts

Get 'em for about ten thousand bucks

Sippin' on Dom Perignon

Five, six songs and my ass is gone

Made a wrong catch or tone, grab my phone

See if my boy Baby Beesh is home

From San Anton to the Astrodome

Smoke weed with Cheech, and hash with Chong

Two A.M. sunglasses on

"Twice last night", that's my nastiest song

Now it's on, ask my T. Jones

Seem like the whole World on my ding-dong

[Chorus (Baby Beesh
