Theres a bunch of birds in the sky
And some deers just went running by
Oh the snows pure and white
On the earth rich and brown
Just another sunday morning in my quiet mountain town

The sun is shining and the grass is green
under the three feet of snow i mean
this is a day when its hard to wear a frown
all the happy people stop to say hello
(get outta my way)
Even though the temperatures low
Its a perfect sunday morning in my quiet little mountain town

Well good morning Stan
Mom, can i have eight dollars to see a movie
a movie, but i thought you were going ice skating
but this is gonna be the best movie ever...its a foreign
film, from Canada
alright alright here ya go, but be back for supper
thanks mom

Oh what a picture perfect child
just like jesus he's tender and mild
he'd wear a smile while he wore a thorny crown
what an angel with a heart so sweet and sure
and a mind so open and pure
thank god we live in this quiet red-neck mountain town

Hi, is your son home
I think so, HEY (ow) KENNY, WAKE UP
Kenny damnit, come on! (ok mam)

Kenny, the terrance and philippe movie is out, you
wanna come?
Where do you think your going
going to the terrance and philippe movie (kenny voice)
You can't! you have ta go to church
but mam (kenny voice)

well fine, go ahead and miss church, AND WHEN YOU
DIE AND GO TO HELL YOU CAN ANSWER TO SATAN!

pause ok (kenny voice)

you can see your breath hanging in the air
you see homeless people but you just don't care
its a sea of smiles in which we'd be glad to drown

Kenny sings
