Song 1.

(Stan)There's the girl that I like...
Now more than ever, she gives me butterflies,
she makes my stomach quizie every thime she walks
bye....
I know i kan be cool if I try!

Song 2.

(Stan)There's the girl that I like...
Over there lauging with that smart...
(Cartman) EH! you're holding up the god damn lunch
line!

Song 3.

(Stan) There's the girl that I like....
Now it appers that she likes an other guy...
it must be because he's political and stuff....
I bet I can be political too!
