REEEEMMMIXX!!

[Baby]

Boss, I see you there!

I see you Mike! I see you Roy!

Keep your hands up nigga keep fightin

[Foxy Brown]

Remix

[Verse 1 - Baby]

Mami, boss nigga, boss bitch

Boss whips with boss chips

Drive Escalade on boss blades

Sitten on them twenty-tre's

and thats on some stop and go's

When I pull up the car stop the rims still flow's

Picture me rollin like this

Burberry, Gucci, interior so slick

Me and Foxy with the matchip whips

That Benz, that Bently, Lambourgini luxury shit

I red carpet my bitch

Bought her up to Jacob and laced my bitch

I bought a 99 Hummer

Fuck that I got 99 bundles

Nigga life is a hustle

Fuck that little daddy, life is a struggle!

[Chorus]

[Foxy:]

Its necessary we styles in Burburry

And our walk is mean in them Frankie B. jeans boy

Its necessary we stays in Burburry

And a Mark Jacob bag and a H-Tod shoe (Whoo)

[Noreaga:]

Its necessary we smoke the blueberry

and we pop that Louie thirteen with our team boy

Its necessary we rock the Sean John

With a nice throwback and some Air Force Ones

[Verse 2 - Noreaga]

See, all that ain't nothin we at the bar frontin  
Its necessary I smokes that blueberry  
When I do white liquor I do it with cranberry  
Niggas fall off top and look at they fans worried  
But uhh, see I don't care bout nothin no more  
I used to act like I like you, I ain't frontin no more  
We used to lay up in the park, Dump buckets of raw  
Now I hope you die slow, plus a nigga thats poor  
See snakes I can't deal with  
Fools they can't build with  
Stupid, get shot in the foot and get and then killed in  
But still niggas doubt my name  
I move slow like Ozzy Osbourne with a cane  
Ghetto tabernacle, and still buckin at your adam's  
apple  
All I do is get high and drink Snapple (what?)  
I either coupe it or I lay in the truck  
Check SoundScan this time you stupid fucks

[Chorus]

[Verse 3 - Young Gav]

Ay yo this party ain't poppin till I pop in  
Cause you niggas ain't poppin like I'm poppin  
That cris shit, that ain't nothin  
Ay yo try some of THIS shit now you frontin  
This bottle is worth green  
(What's that?) Louie the thirteenth  
(Got what?) Got it for thirteen  
Cam got the liquor store  
(Where's the weed) Rugs to get the raw  
(I know we in there free) My man bout to get the door  
Stand there zip ya jaw  
We gon' party tonight  
If push come to shove we catch a body tonight  
No gray goose get loose with bacardi tonight  
Just make sure everybody aight  
Check it out we got the bar over here  
The starts over here  
Niggas that push brand new cars every year  
Young Gav, world known from here to Rome  
Just call me the young Sean Combs, Homes

[Chorus]

[Verse 4 - Loon]

We push Bentley Azure's, Rock Christian Dior velours,  
I'm not in the mood for Cris anymore,  
Bottles of ?, I sip and I pour,  
Chicks on the floor, They like Loon aint got hits  
anymore,

Picture me for, Picture my wall, No extra plaque,  
Like beef no extra gat,  
If you need I'll molest a track, 50 g's nothin' less than  
that,  
Nigga please I'm the best at that,  
The rest you cats, Its best you rap,  
If its a need for you dress like that,  
I dont stress you cats, That made your doe of haze and  
hoes,  
Knowin' that I made my doe of shavin' o,  
Now I'm poolside, Bathin' robe,  
2 Mayalasian hoes, All due to my lazy flow,  
Young boy got crazy doe, Blow crazy dro,  
But I'm just here to let the ladies know, Uh

[Chorus]

[Verse 5 - Foxy Brown]

[Foxy Singing:] Ill Nana, Cash Money

See I got that swagger back and I ain' knowin how to  
act

Dunnie chill! I show you how to do this hunnie  
We our own twistin our hip Nautica blue bunny

Now, brown Bently, we Brooklyn bound

Bet when I come through your town I be burburried  
down

Thats my word, y'all bitches got nerve

Like my shows don't send these hoes straight to the  
stores, Now

What the fuck y'all bitches screwin me for?

I mean, why bother you only make my style harder

I hit stunner like what up with the rucka what up?

Bring your toys here show em that they boy here

Catch me throwin somethin down from (?)

In a Mark Jacob bag or little somethin from (?)

Get em to daaance, bust a dance

In your H-Tod bag and your Frankie B pants

[Chorus]
