Check it out dude i'm a space man. Space man yeh!
I'm havin a super fun time daay,
Cartman: Get that guy, shoot that guy! Back over here.
You got it, nice.
Super fun time please don't go awaay.
Butters: What are you ooglin at?!
No more worries or cares, super fun time,
The answer to my prayers, super fun time.
Super fun time, your all I need,
super fun time, can I freakin' plaay,
I love you morning noon an' night super fun time.
You make my life so right, super fun time.
Butters: we have to be gettin back.
Cartman: just a few more things.
Butters: No! if we don't leave right now were gonna miss
the bus and then they'll know we left!
Cartman: I guess your right Butters. Come on.
