Music industry man: What kind of song do you want?

Jennifer Lopez: Something hot and spicy!

[melody comes on]

Jennifer Lopez: Spicier.

[melody changes]

Jennifer Lopez: Spicier!

[spicy melody comes on]

[Jennifer Lopez (aka Eric Cartman's left hand)]

Burrito. Taco taco. Burrito. Taco. Taco taco.

Don't think just because I got a lot of money,

I'll give you taco-flavored kisses, honey.

Fulfill all your wishes

with my taco-flavored kisses.

Taco taco. Burrito burrito. Taco taco.

Fulfill all your wishes

with my taco-flavored kisses! Taco taco.

[dialogue]

Music industry dude: She's fantastic! Who is she?

Different music man: Believe it or not, her name is

Jennifer Lopez!

First guy: That makes sense, she reminds me of J-Lo.

2nd guy: Yeah, but she's younger and spicier!

Jennifer Lopez (singing): Taco taco. Burrito burrito.

Taco taco.

2nd guy: I don't think J-Lo would like it very much if we signed this new girl.

1st guy: No, you're right. We're gonna have to fire J-Lo.

[melody changes]

Different guy: All right, Ms. Lopez, let's take it from the top.

[Jennifer Lopez (aka Eric Cartman's left hand)]

Baby, let's make a run for the border,

I've got a hunger only tacos can stop.

I know exactly what I'll order

three tacos, two tostadas, and a soda pop.

[Music industry dude]

Gentlemen, we have ourselves a hit.

[Jennifer Lopez (aka Eric Cartman's left hand)]

I need to make a run for the border.

If you pay, I'll take off my top.

Do you remember what I want to order?

Three tacos, two tostadas, and a soda pop.

Yea-ah, and don't forget the hot sauce, chulo.
