We did it twice last night

And once in the morning (2x)
(spm)

I pulled out my jimmy from a cracker jack box

The bullet proof vest blocking all my cum shots

I got one in london and her name is regina

Then I got sofia she's from argentina

Love em and leave em hell naw that ain't my style

I'd rather stick around for a good lil lo while

At least twice a week if she's a good freak

Bitch left a hicky on my left butt cheek

Mann i'm as strong as an ox

And your baby mothers a bopper

We call her the head doctor

And nobody can stop her

You need to drop her

Cause all she really wants is a baller

That spends fifty thousand dollars

On the mexican boxer
(spm)

She's riding my pony mann she's horny

But it ain't no fun if I cant call the homies

Early in the morning watching erkl while she blow me

When she see me with my girlfriend

She act like she don't know me

Cause she got love for me

My balls are never lonely

Call me crazy with that ass

And the pretty cheecharonies

In my room jamming oldies

She's dancing in her chonies

Had her screaming in the deli

Till the neighbors call the police

So we had to take it else where

Take it to the embassy

Picked up a stripper from the lesbian tennessee

Half black and japanese

Gone off them dakeries

My bitch ate her out

While I filled up her cavities

Then we did it

Twice last night

And once in the morning

(baby beesh)

She grabbed from my paw and I said aw naw

Rushed to the bed and jumped straight on my jaw

The next thing she saw playboy wasn't small

She asked baby beesh can I please take it off

She me and my yum yum

Mann we was doing it big

She made me cum cum

Damn I think I woke up her kid

But we was on one

With some epadosa and wine

I gotta freak one

Aint no bitch colda then mine

She got that platinum punana

Fuck madana and jenny jenny

My momma be on that remmy

Mixed with henny when she get me

And when I get her I gotta

Hotter than enchilada

Oohh she brought her friend too

Now it's a minachia tua

Against the wall let the camera record

I got the berries and the creep so we will never be
bored

She kissed that teta

Told her nena would you please kiss your friend

She said you know I cant dadada

But is you joining inn

I said for show

We started off slowly

Once it hit midnight we went hard at 1:40

And then at 2:30 she started talking dirty

You got me feeling like a champ

When I dip up in the fury

Forty five minutes straight

Dripping wet took a power nap

Six in the morning got her wetter than the shower cap

She was on top and I was on under

A b a b a bed hit the wall and it sounded like thunder
We did it twice last night

And once in the morning
