[Wyclef] I go by the name of Wyclef Jean
We are the Refugee All-Stars (One two)
We salute the soldiers around the world
[Eric C] Hell yes
[Wyclef] This one is called bullet in your bubblegoose
(Grandma, whereâ're you at girl?)
[Eric C] Mack 10
[Kyle B] Cartman, this isn't Mack 10
[Eric C] SERIOUSLY, Mack 10

[Wyclef Jean]
Sit right back and you'll hear a tale of a hustler 'round
my way
Who used to clock, around the block from where my
grandma stayed
Black BMW with rims to match, windows bulletproof
One night he jumped out the car and caught a bullet in
his bubblegoose
[Wyclef + Kids] He caught a bullet in his bubblegoose
He caught a bullet in his bubblegoose
You can be at the party gettingâ' loose but you can
catch a bullet in your 'goose
He caught a bullet in his bubblegoose
He caught a bullet in his bubblegoose
You can be at the party gettingâ' loose but you can
catch a bullet in your 'goose
[Wyclef] Sit right back and you'll hear a tale of a young
girl around my way (Rock your body)
[Eric C] Wesssyde
[Wyclef Jean] Who used to dance around the way from
where my homeboys stayed
Black BMW with rims to match, windows bulletproof
One night she jumped out the car and caught a bullet in
her bubblegoose
[Wyclef + Kids] She caught a bullet in his bubblegoose
She caught a bullet in his bubblegoose
You can be at the party gettingâ' loose but you can
catch a bullet in your 'goose
She caught a bullet in her bubblegoose
She caught a bullet in her bubblegoose
You can be at the party gettingâ' loose but you can
catch a bullet in your 'goose (Câ'mon)

[Eric C] Mack 10, you guys
[Stan M] This isn't Mack 10 Cartman
[Eric Cartman] THIS IS MACK 10

Kenny, your family's poor Kenny
Get up Kenny
Kenny, you can't just die (Chance to solo man)
(CÂ'mon)
Yeah, Mack 10 in the hiz-ouse you guys
(CÂ'mon)
[Wyclef + Kids] She caught a bullet in her bubblegoose
She caught a bullet in her bubblegoose
You can be at the party gettingÂ' loose but you can
catch a bullet in your 'goose
She caught a bullet in her bubblegoose
She caught a bullet in her bubblegoose
You can be at the party gettingÂ' loose but you can
catch a bullet in your Â'goose
[Eric C] Bubblegoose you guys
