My grandma owns a truck stop  
Bout forty miles away  
Yeah my grandpa owns a truck stop  
Bout forty miles away  
If I saved all my money, honey  
I'd go there every day  
My grandpa owns a truck stop  
Bout forty miles away  
Yeah my grandpa he owns a truck stop  
Bout forty miles away, ah ha  
If I saved all my money, honey  
I'd go there every day  
My grandpa owns a truck stop  
Bout forty miles away  
Yeah my grandpa owns a truck stop  
Forty miles away  
If I saved all my money, honey  
I'd go there every day, ye he he
