

## South Park Mexican "2 Joints"

Visit "[2 Joints](#)" on MotoLyrics.com

[Intro: Dum-Dum and Happy P]

(Lighting a joint)

(Coughs)

[Dum-Dum]

Go head maan

Boy that's fire

[Happy P]

That's got to be

Pass that mayn

[Verse 1: Dum-Dum and Happy P]

[Dum-Dum]

I hit it the worst ways

After the first day

I'm needin it everyday

And twice on a Thursday

Blood thick than water

In pounds better than quarters

I'm smoking two joints

While I'm knockin down yo door

The Dope House Records is on fire

So grab the extinguisher

I'm smoked out in the beamer

Bout to get empezema

Gun slingers rap singers

With more stripes than the bengals

No need for the gang signs

I'm using my trigga finga

[Happy P]

Now won't you roll one

Fo' the po' one

Sometimes I'm real selfish and don't smoke my weed  
with no one

You know me

I'm young Happy P

Kick back and blow a sweet

While my niggas move keys

Bitch please

I got G's

Sip corona with lima squeeze

And platinum P's

And only smoke on the fine leaves  
I started out  
Sellin five dollar sweets  
And now I'm hella paid  
Sellin 5000 dollar beats

[Chorus: Grimm]

I smoke two joints when I wake up  
In the car I smoke two joints  
I smoke two joints when I play video games  
And every 10,000 points  
I smoke two joints in time of peace  
And two in time of war  
I smoke two joints before I smoke two joints  
And then I smoke two more

[Verse 2: SPM and Low-G]

[SPM]

Man this killer herb got me runnin over curbs  
And writing these raps full of misspelled words  
I curse on my verse snatch yo bitch like a purse  
Cause she like the twinkies that I slapped on my  
hearse  
I take two charges it's really quite harmless  
The only side effect is that it makes you retarded  
ha ha  
I started in 82  
In fifth grade  
You can say I was in high school  
True smoka

[Low-G]

I got married at an early age  
Con mi hermosa  
Maria es mi esposa  
Mi sancha es Nina Rosa  
Mafiosa  
Pero eso es otra cosa  
Mi wife es celosa  
No llores mariposa  
Tan chiclosa  
Te triago from coasta coasta  
I got your corazon dropped en mi bolsa

Borracho de tu besos  
Hoja pa mis huesos  
Me trais pesos  
Con hidea pa mi seso

[Chorus]

[Verse 3: Diamond and Grimm]

[Diamond]

Dimond popped up on the scene  
Smoke two joints where I can beam  
Flip the scene bizatines  
Sippin lean sticky green  
Come out fresh when it spring  
Steady flossin diamond rings  
Bustin gats with Bing  
Catchin squares at ten  
Baby Beesh he got the dro  
Happy P we fitin to roll  
And shut em down we livin throwed  
Got the keys  
We got the vo's  
Hit and run cause the scheme  
Hold your breath and feel my spin  
Since diamond came around  
Now she down with a team

[Grimm]

Now I'm down with Bobby Brown  
But I love Al Green  
Keep a sweet in my mouth and anotha in my jeans  
Bout to blow em back to back  
Takin two to the dome  
Home grown hydroponic always wanna get blown  
Stay stoned out the mode  
Drop a flow rock a show  
Got to go out the do  
Boppin hoe after close  
Nose hits roach clips  
Place a pink in my eye  
And I'm always down wit tryin new ways to reach for the  
sky

[Chorus]

[Verse 3: Baby Beesh and Lil Bing]

[Baby Beesh]

Now I be blowin not only one but less than three  
That's the recipe  
Yes indeed  
Blowin ooey gooey is a neccesity  
Don't question me  
Blowin' heavily  
Till I'm 70  
That's the remedy  
Feelin famous like the Kennedy  
From here to Tennessee  
Sippin hennesse

Smokin with intensity  
Feel my ghetto energy  
Fools be sweatin me  
For that rush in the Lebanese  
I be getting higher than the hills of Beverly  
Beverly

[Lil Bing]

Two joints be smellay in my Cadi  
From the Valley to Cali  
In the alley servin patties  
Hastled by federales  
Drippin candy  
Sippin brandy  
Twenty inches look fancy  
On my way to the grammys  
Hoes droppin they panties  
Got a freak named Sandy  
Makin hits like Sammie  
I'm posted up with biscuits and chicken fried steak  
at Grandy's  
Smashin off man fo sho  
Got my tv's on glow  
Smokin two smokin four  
Then back door hit two mo  
[two mo repeats till fade]
