[Carolyn Rodriguez]

Is it real?

Tell me are we real.

Are u just sayin' things that i wanna hear?

Are u really true?

Baby is it destiny?

Are u the one that god made and he meant for me?

Are we real?

[SPM talking:]

Yeah this is the song i wrote for my wife.

Before she was my wife,

We've been together 18 years now that's like half my
life,

And she's still by my side,

I love you baby.

[Verse 1:]

Your love is beautiful

Its un-disputable,

You got me rappin' bout it up inside this studio,

Like crazy man

Cuz how i feel ain't normal.

And im writin' in my journal

I hope its eternal,

I'm your favorite fan

When you make an appearance,

The smile on your face lifts up my spirits,

I wanna trust you and know that you'll be mine forever,

You want a lifetime of love thats what imma deliver

But i worry a little.

And i'm not sure why,

But the thought of ever losin you blows my mind,

And i know that i really shouldn't think that way,

I guess, what i'm tryin' to say today is baby

[Hook: Caroly Rodriguez and SPM]

[Verse 2:]

I don't mean to sound scared or even insecure,
Usually i don't trip over chicks but your
Somethin' else, somethin' pure, an amazin' brew,
Mama raised a G but didn't raise a fool,
So i don't wanna loose you like i lost so many,
Not really carin' bout our future and it cost me dearly,

Too many years as a playa in a negative sense,
And i guess it took this whole big set of events,
To let me see things differently, i've grown as a man,
And just wanna walk through life while holdin' your
hand,
Kiss you in the moonlight and touch your face,
And let you know your the one that no one can replace.

[Verse 3:]

I broke many hearts in the days of past.
And they told me one day one will break yours back.
And avenge all the girls that you left in tears.
But my heart was too hard to ingest those fears.
So i ran through a bunch
Some snack,
Some lunch,
Some was dark, some was yellow like captain crunch,
And we laughed a bunch and we balled at malls,
And if i could, id apologize to all of yall,

Saw the pain in her eyes as she begged me to stay,
And now i truly understand how she felt that day,
Cuz now i feel the same and i want it to work,
Hopin' i don't end up like the ones that i've hurt.
