I mean yeah of course you all fine & shit
I'm sayin' if you wasn't bein' so Crazy.
You know what I'm sayin'? I'm maybe you might have
chance, man
Tryin' to fight every girl jumpin' in the neighborhood.
What's wrong wit you girl?

[Chorus:]
Everything would be okay
If you wasn't Crazy.
Why you tryin' to fade me?
Just be a lady. [x4]

Now when we first met everything was really goin' cool
I had to catch myself cause I was diggin' you
At first it seemed, that you were the only one for me
But oh no, your Crazy
Now I'm the type of nigga that just likes to keep it real
I likes to keep my mind focused on the real
Instead of you, tryin' to help me make my dreams
come true
You start a mess, between me & my whole crew.

Now what type of friend are you supposed to be?
I think it's best if you stay the hell away from me.
Now what type of friend are you supposed to be?
I think it's best if you stay the fuck away from me.

[Chorus:]
Everything would be okay
If you wasn't Crazy.
Why you tryin' to fade me?
Just be a lady. [x4]

You know I can't be nobody but me that Russell Lee.
What makes you think you can come around & change
me?
Your breakin' rules, showin' up to my house without a
call
Your doin' dumbshit & you know that ain't gonna work
at all

You know you ain't even right, your damn sure ain't
lady like
Your screamin' & scratchin' started fussin' tryin' to
start a fight
You really need to be gone & leave me the hell alone
You actin' like a little girl. How the fuck you say your
grown?
Playin' on my phone won't say nothin' but I know it's
you.
What will it take for you to understand that we are
through?

[Phone rings twice:]

Hello? Hello? & Bitch!

[Chorus:]
Everything would be okay
If you wasn't Crazy.
Why you tryin' to fade me?
Just be a lady. [x4]

If only you were a friend & stopped actin' so damn
shady
You would be the luckiest kid if you didn't try to fade
me
But you do, so the consequences is all on you
So don't get mad when you see me walkin' with another
boo
I gotta go, you had your chance with me but there's no
more
Look at you lookin' pitiful cryin' lyin' on the floor
I wish there was another way that you can change my
mind
You say that your sorry but some kind of way I think
your lyin'.

Everything would be okay
If you was a lady
Everything would be okay
If you wasn't Crazy.

[Chorus:]
Everything would be okay
If you wasn't Crazy.
Why you tryin' to fade me?
Just be a lady. [x4]

Just be a lady. [x4]

Everything would be okay

If you was a lady.
Everything would be okay
If you wasn't Crazy.

Just be a lady.
