Im meatin up wihe governa, 3 2 andthe Hillwood husla  
im comin sraight out the head though,  
from the brain representin my ghetto,  
its a trip how they die young in the hood with my  
cadillac flya  
through the wood with my homie Iatola, in the clova  
pink soda, mind of a nota  
lean on my shoulda, slang coca, 20 G's on ma team  
with the nova  
blow mariajuana, in the zona, where ma niggas move  
dope on the corna  
V12 motor, vida loca, now your bitch tryin to gimme her  
panocha  
fast sweet rolla, in my troca,  
and the ma girl called the cops cause i chocked her  
go fuck a banna, naked santa,  
for the key bore the came for the sampler
