[South Park Mexican:]

To all my...

Loyal Customers...

At the Dope House we got...

Loyal Customers

Uh...wreck 'em Sheedy.

[Rasheed:]

Nick sack pack a gat shoot 'em in the dome.

[South Park Mexican:]

Na don't shoot 'em there, hit 'em in the back bone

'Cause he picks & he whispers behind my back.

[Rasheed:]

Hey yo we got no muthafuckin' time for that

They intrigued by the way you cook yo' dope.

How come...?

[South Park Mexican:]

There's no cut so they hooked on Los

Not only in the free world but in the pen.

[Rasheed:]

You fuckin' haters wanna hide while I count to 10.

[South Park Mexican:]

At the Dope House we blow out yo' candles

Gum blast will knock yo' ass out yo' sandles

Don't give a fuck & I live like a G.

[Rasheed:]

Homeboy we be the killers of the company.

Both:

Loyal Customers

At the Dope House we gotâ€¦

Loyal Customers

Uh So many.

[South Park Mexican:]
When I walk through yo' hood
I can see in the nochÃ©
I hear voices sayin' that's El CoyotÃ©.

[Rasheed:]
Philosophy a G livin' quit simple
Blast upon instinct bust 'em in the temple.

[South Park Mexican:]
I'm a bad muthafucker eat 'em up for supper
Indo puffer brew chugger lugger.

[Rasheed:]
That needs buckle from the heat of the led
Tonight you got engagements to meet with the dead.

[South Park Mexican:]
Don't stop I'm not finished yet
Rasheed & SP out to get respect
Police & swat team done surround my house.

[Rasheed:]
Cause these funky cock bitches wanna run they mouths
Yo Los you know why we move from area to area.

[South Park Mexican:]
Why?

[Rasheed:]
'Cause these streets wanna marry ya than bury ya.

[South Park Mexican:]
They watchin' us close every move that we make
'Cause the muthafuckin' rap game is 'about to get
break.

Loyal Customers
At the Dope House we got so many...
Loyal Customers
Uh.

[South Park Mexican:]
Now we in control flowin' out my head
With 300 pounds & a king size bed
Won't brag or boast but here's a toast
To the whole world with they eyes on the 3rd coast.

[Rasheed:]
I feel like I gotta break these nigga's off somethin'

Double pumpin' off the body dumpin'
Movado on my wrist livin' minute by minute
Your bitch nigga's need to stop it how you live it.

[South Park Mexican:]
Try to murder me in the first degree
University of eternity
But personally I celebrate our anniversary
'Cause your blood in my trunk & turned to burgundy.

[Rasheed:]
Born like a soldier paid what I owed ya
3 hollow tips & a grenade in the sofa
Purple sculpta I'm a murder coach cha
Killer's blowin' Doja in the dumble with myâ€¦

Loyal Customers
At the Dope House we gotâ€¦
Loyal Customers
