[Verse 1: SPM]

Blowin' on a sack a Flight,  
Building up my appetite,  
See my Homies eating and I be like, "Can I have a  
bite?",  
Last night had a fight,  
After that I grab the mic,  
Went to club, Closed,  
I went home on my granny's bike,  
People was laughing like, "Look he just ran a light!",  
I just kept pedaling,  
I didn't get mad at gripe,  
Sell that rock and pipe,  
G til my after life,  
Let me get on stage bet I say the things that you'll like,  
Higher than a dragonfly,  
Ima make math or die,  
Been a pimp since that group that I was in with Gladys  
Knight,  
Mostly I been packing knives,  
Have you pushing dandelions,  
Come show with my cash,  
You'll be dancing like it's Hammer Time,  
Yeah I'm lost and I'm blind,  
Still I'm gon' handle mine,  
Have your Homie leaking cuz he's bumping mo' than  
campbells fine,  
In the hood I Vandalize,  
Mandle Fiends and baggy eyes,  
Where you can make a killin' and don't even have to  
Advertise

[Chorus: SPM]

Silhouettes crack pipes tonight,  
And then you see the Jumbo,  
Light destrike,  
Thug stories and their vine a line,  
If u smoke once then you'll die a twice,  
What the fuck else am I to do,  
I wanna be rich a buy a Zoo,  
Or maybe just a candy 5 or 2,  
And tell me daughter I'll die for you,

Silhouettes crack pipes tonight,  
And then you see the Jumbo,  
Light destrike,  
Thug stories and their vine a line,  
If u smoke once then you'll die a twice,  
What the fuck else am I to do,  
I wanna be rich a buy a Zoo,  
Or maybe just a candy 5 or 2,  
And tell me daughter I'll die for you

[Verse 2: SPM]

Can't switch Never Change,  
Nothing from the radio,  
You don't have play me hoe,  
Ima still make my dough,  
I've been sellin albums since '92 and '93,  
They will either call me for a Tape or a Quarter Key,  
For the Dream for Team,  
Can't nobody handle Los,  
Battle me I'm like "Man at least try to make it close",  
MC Torturer,  
Rap Game Sorcerer,  
Y'all remember when I did it on that song Warriors,  
That was maybe '95,  
With that Most Hated group,  
All my Enemies heard my voice and it made them  
puke,  
Ever since I hit the streets,  
I've been on the Hittin' Street,  
Straight from the Gutta,  
Would you like to take a little peck?  
Simpleity and Dickies shorts,  
On the Cut with cold Coys,  
No time to go home,  
Cook it with the Blow Torch,

Old man on the porch,  
Watchin boys come and go,  
Life is a prison risk,  
In the mist of runnin' Snow

[Chorus: SPM]

Silhouettes crack pipes tonight,  
And then you see the Jumbo,  
Light destrike,  
Thug stories and their vine a line,  
If u smoke once then you'll die a twice,  
What the fuck else am I to do,  
I wanna be rich a buy a Zoo,  
Or maybe just a candy 5 or 2,  
And tell me daughter I'll die for you,

Silhouettes crack pipes tonight,  
And then you see the Jumbo,  
Light destrike,  
Thug stories and their vine a line,  
If u smoke once then you'll die a twice,  
What the fuck else am I to do,  
I wanna be rich a buy a Zoo,  
Or maybe just a candy 5 or 2,  
And tell me daughter I'll die for you

[Verse 3: SPM]

Hustle Slow or Hustle Fast,  
Cages fool who love the cash,  
Others in the buried hole,  
No one really understands,  
Troubles Land where it made,  
Death is never choosey,  
If I try to ask why this shit will just confused me,  
Don't loose me,  
Just hold tight,  
I know it's gettin' deep again,  
Call me when you need dope,  
Nigga I don't need a friend,  
I've been on a hustle since I started cutting people  
yards,  
Then I started noticeing the rims on these people cars,  
Hope that their sleepin' hard,  
When I come back tonight,  
Next thing you know I'm stopping hard at a traffic light,  
Jammin' Ike,  
Radio is programed to Oldies,  
Waitin' on the green light,  
So that I can go please,  
AC with cold breeze,  
Blowin' on a Optimo,  
I can reach the pedal better if I had a longer toe,  
Stop at the Stop N Go,  
I ain't got no gas money,  
So I pump the gas first and holla,  
Pay ya back BUDDY!

[Chorus: SPM]

Silhouettes crack pipes tonight,  
And then you see the Jumbo,  
Light destrike,  
Thug stories and their vine a line,  
If u smoke once then you'll die a twice,  
What the fuck else am I to do,  
I wanna be rich a buy a Zoo,  
Or maybe just a candy 5 or 2,  
And tell me daughter I'll die for you,

Silhouettes crack pipes tonight,  
And then you see the Jumbo,  
Light destrike,  
Thug stories and their vine a line,  
If u smoke once then you'll die a twice,  
What the fuck else am I to do,  
I wanna be rich a buy a Zoo,  
Or maybe just a candy 5 or 2,  
And tell me daughter I'll die for you (I'll die for you)
