I'm SPM, you know my name
I'm the one that came up out the dope game
I've payed my dues and kept my cool
I'm the one that told your kid to stay in school
I'm from the streets, thank god for rap
I creep through my hood in the smoke-gray 'llac
Contradiction on my chest, Versace on my clothes
I got too many, too many...heh, YO
I'm shakin bakin cookies turnin rookies into vets
I used to see my dreams through a foggy Pyrex
My Lexus outside plus I got a 64
But my Benz is wrapped up around a telephone pole
I'm drippin candy wet and I'm swangin 84s
Nothin but the screw bangin in my radio
I'm blowin Miss Mary and I'm sippin on sherry
Give my homey's mama money for his commissary
My name is..

[chorus]

Hehe, yo pass the green of weed tweedle lee tweedle
la
livin like a king, feel the steam in my spa
before I walk I gotta teach myself to crawl
I started off small now I'm stronger than the law
you know my name, I'm SPM

in this rap game I'm the cream a la creme
I tell you what it is and I'll tell you what it was
exotic foreign minks and imported Asian rugs
police at my door fedaralis on my phone
I guess I'm makin too much money with my microphone

I did my time; no sunshine
it seems like they only wanna handcuff mine

[chorus]

Uh. I used to be a shoe shina
now I sip Aunt Jemima
I go to sleep in Europe and wake back up in China
I take and break 'em down represent that H-Town
I'm Los El Mexicano, in english Charlie Brown
my top is on drop and my trunk is on pop
my girl is Snow White in the form of a rock
my hot block is in this in this rap I break a Guinness
blowin indo rollin, 20 dolla pinnas
dancin with the wolfs in my southern side hood
got seven brick houses all made out of wood
I'm either at the park where my homeys shootin jumpas
or in the limosuine gettin freaked by head huntas
you name my name

[chorus]
