When I was just a filly  
I found it rather silly to  
see how many ponies you could meet

I had my books to read  
Didn't know that I would ever need  
Other ponies to make my life complete

But there was one colt I cared for  
I knew he would be there for me  
My big brother  
Best friend forever

Like two peas in a pod we did everything together.  
He taught me how to fly a kite  
(Best friend forever)  
We never had a single fight  
(We did everything together)  
We shared our hopes  
We shared our dreams  
I miss him more than I realized  
It seems

Your big brother, best friend forever  
Like two peas in a pod, you did everything together

And though he's oh so far away  
I hoped that he would stay  
My big brother best friend  
Forever  
Forever
