[Chorus]

If I was president i'd get elected on Friday,  
Assasinated on Saturday, buired on Sunday,  
Then go back to work on Monday  
If i was president (repeat 3x's)

[Verse 1]

Instead of spending billions on the war  
I can use that money so I can feed the poor  
Cuz, I know some so poor  
When it rains that's when they shower  
Scream and fight for power  
That's when the vultures devour

[Chorus]

[Verse 2]

I know some soldiers that sleep but they can't dream  
Wake up with screams, sounds of M16's  
So take this metal of honor for your bravery  
I wish you the best kid, you and your family

[Chorus]

[Verse 3]

But the radio won't play that  
They call it rebel music  
How can you refuse it  
Don't ????

Tell the children the truth, the truth  
It's not all that bling that's diamonds  
Tell them the truth, the truth  
Most of yall wear cubic zurconians  
Tell them the truth, the truth  
Yeah, your soul is worth more than diamonds

[Bridge]

If I was president all blacks would have  
Reporationally, segregation, feed the nation so there's  
no famen  
Muslims, Jews, Christians would all hold hands

Every weekend on the beach, party by the sand  
Word up take trips on air force one  
Only to bring the homeless with no sneaks  
The Air force ones  
Better schools in the hood  
Better teachers for the classes  
Makin money, payin' no taxes and  
The best scientists tell'em to come up wit a answer  
I want the cure for A.I.D.S and Cancer  
But I gotta watch my back  
Snipers on the hill with the ?? waitin to JFKill

[Chorus]

[B-section]

If I was president, If I was president  
If I was president, If I was president  
If I was president
