Baby baby, without your love, ooh  
Oh no it can't be  
Yeah baby, give me love  
Oh yeah, give me love, you first

Take a look at me, darlin', come on, baby  
Tell me what you see now, baby  
I'm only half a man now, honey  
Well, than I used to be, Lord have mercy

Since you been gone now, baby  
My life ain't nothin' but an empty shell  
Say you come back to me, darling  
You've got to come back and make this lonely man  
well

'Cause I'm a broke down piece of man  
I'm a broke down piece of man, baby  
I'm a broke down piece of man  
Without your love, ooh  
Oh no, say it one more time

Heartache and misery, baby  
Well, they're walking right by my side now, baby  
Sadness came and got a hold on me  
You better get on over here before I cry

You've got to give our love now, baby  
You got to give our love one more chance now, baby  
Well, that's the only way, darlin'  
That this old heart of mine will last

'Cause I'm a broke down piece of man  
I'm just a broke down piece of man, baby  
I'm a broke down piece of man  
Without your love

You know it darlin', yeah yeah  
Now wait a minute, baby

Nobody else can cure the hurt I got  
It's your love I need and I need it a lot

Please, give our love now, baby  
Got to give our love one more chance  
'Cause that's the only way, darlin'  
Oh, that this old heart of mine can last

'Cause I'm a broke down piece of man  
I'm just a broke down piece of man  
I'm a broke down piece of man  
Without your love, ooh yeah

Without your love  
(Come on home)  
Without your love  
(I got this pain in my heart)  
Without your love, baby baby  
Without your love, baby baby  
Without your love, baby baby
