Oh, I know that it's getting late
But I don't wanna go home
I'm in no hurry baby, time can wait
'Cause I don't wanna go home

Listen to the man sing his song
But I don't wanna home
I don't mind if it take all night long
'Cause I don't wanna go home

Listen, baby I know we had to try
To reach up and touch the sky baby
Whatever happened to you and I
That I don't wanna go home?

Lord, look at how the people stare
Said, "I don't wanna go home"
In their mind I know they've all been there
I don't wanna go home

I know the words to this song are real
But, oh I don't wanna go home
But I know he's talking about the way I feel
And I don't wanna go home

Listen, baby I know we had to try
To reach up and touch the sky, baby
Whatever happened to you and I
That I don't wanna go home?

I wanna hear people laughing
And having a good time
I wanna know why'd she told me she had to go
Why did she leave me lonely?

I know that it's time to go
But I don't wanna go home
You can play your blues, play 'em soft and low
'Cause I don't wanna go home

Listen, baby I know we had to try
To reach up and touch the sky, baby

Whatever happened to you and I?
That I don?t wanna go home

I don?t wanna go, believe me, darling
I don?t wanna go home
Don?t wanna be all alone
I don?t wanna go home, baby

Ain?t nobody waitin? at home
And baby, won?t you please come home?
Baby, baby, baby, baby, baby, baby
Baby, baby, baby

Baby, won?t you please come home?
I need you tonight when I get home
Cause ain?t nobody waitin?, ain?t nobody waitin?
Ain?t nobody waitin? at home
And baby, won?t you please come home?
