(Hawker/Raymonde)

I don't know what it is that makes me love you so  
I only know I never want to let you go  
'Cause you started something can't you see  
That ever since we met, you've had a hold on me  
No matter what you do, I only want to be with you

It doesn't matter where you go or what you do  
I want to spend each moment of the day with you  
Look what has happened with just one kiss  
I never knew that I could be in love like this  
It's crazy but it's true, I only want to be with you

Oh, you stopped and you smiled at me  
Asked me if I cared to dance  
I fell into your open arms  
And I didn't stand a chance

Now listen, honey  
I just want to be beside you everywhere  
As long as we're together, honey, I don't care  
'Cause you started something and can't you see  
That ever since we met, you've had a hold on me  
No matter what you do, I only want to be with you

Oh, you stopped and smiled at me  
Asked me if I cared to dance  
I fell into your open arms  
And I didn't stand a chance

Now listen, honey  
I just want to be beside you everywhere  
As long as we're together, honey, I don't care  
'Cause you started something and can't you see  
That ever since we met, you've had a hold on me  
No matter what you do, I only want to be with you  
I only want to be with you
