Baby, you're out all night
Till the break of day
You put me down, baby
Everything I say

Little by little, baby
I'm losing you an' I can see
Bit by bit
Your love's slippin' away from me

Now what you're doing baby
You know it ain't right
I'm worried about you darling
I can't sleep at night

Little by little, baby
I'm losing you an' I can see
Bit by bit
Your love's slippin' away from me

You turn your head away
When I try to kiss you
I get so lonely, baby
I got used to you

Little by little, baby
I'm losing you, I can see
Bit by bit
Your love's slipping away from me

Tried to trail you last night, baby
In my car
Scared I might find what I was
Looking for

Little by little, baby
I'm losing you an' I can see, babe
Aha honey, bit by bit
Your love's slipping away from me

You're out all night
Till the break of day

You put me down, baby
Everything I say

Little by little baby
I'm losing you, that I can see
Bit by bit
Your love is slippin' away from me

Bit by bit
Your love is slippin' away
Bit by bit
Your love is slippin' away
Bit by bit
Your love is slippin' away from me
