Same old places hurt inside
But I still take that one sweet ride
Baby, when I can
The same old faces, I despise
Coming 'round here tellin' lies
Sayin' they understand

I'm trying to make it, baby
But it's no good
I wouldn't give the satisfaction
Even if I could

Well, there's nothing that I wouldn't do
There is nothing that I wouldn't do
There is nothing that I wouldn't do
To get next to you

The money came, the money went
And all the time, baby
We knew it wouldn't last too long
You spent your life on easy street
Well, that's one game I never beat
You know, on me it always looked so wrong

You can't walk away, baby
Without getting scarred
I want it so badly
I'm trying too hard

Well, there's nothing that I wouldn't do
Baby, there is nothing that I wouldn't do
There is nothing that I wouldn't do
To get next to you

You say there's nothing left to believe in
That somehow it wasn't meant to be
Oh, don't you believe in me?

Oh, baby, there is nothing that I wouldn't do
Oh, there is nothing that I wouldn't do
There is nothing that I wouldn't do
To get next to you

Whoa, I've gotta get next to you, girl
Baby, I've gotta get next to you
Honey, there's nothing, nothing I wouldn't do
Oh, baby, I got to, got to, got to get next to you, girl

Oh, baby, I got to, got to, got to get next to you, girl
Baby, I got to, got to, got to get next to you, girl
Baby, I got to, got to, got to get next to you, girl
Oh, baby, I got to, got to, got to get next to you, girl
Baby, I got to, got to, got to get next to you, girl
