(B. Rush/J. Lyon)

If I don't change my luck
I'll have to change my name
If I don't get a break
I'm sure to get the blame
She took me at my word
And I took her for a ride
She let me taste her love
Now I'm swallowing my pride

And I'm in over
I'm in over
I'm in over my head
I'm in over
I'm in over
I'm in over my head

Baby, I tried to stay aloof
But I can't stay away
The way she makes me feel
Is sure to make me pay
You know, I had a cold cold heart
You know, I had a Casanova style
Until I lost myself
In that soft madonna smile
Now I'm in over
I'm in over
I'm in over my head
I'm in over
I'm in over
I'm in over my head

I'm in over my head
Way over my head
Yes I am
Way way over my head
I'm in over my head
Over my head
Over my head
I'm in over my head
Over my head
