

Someday, I know, she's gonna let me in and it'll be  
alright  
I'm gonna give her what she needs and she's gonna  
sleep at night  
Until that day I know a lot of pain's gonna come her way  
There's more to life than just living and more to love  
than play

Whoa whoa whoa she's got a restless heart  
Whoa whoa whoa she's got a restless, she's got a  
restless  
Oh, she's got a restless heart

She's got a restless heart  
She's got a restless heart  
She's got a restless heart  
She's got a restless heart  
She's got a restless heart  
She's got a restless heart
